

INTRODUCTION:

Why do you think the subject of life is a hot button in our culture?

Why do Christians value life, in or out of the womb?

TAKE A LOOK AT THE BOOK:

Justice:

Read Genesis 1:26

What does it mean to be created in the image of God? (We have intellect, emotion and will)

Read Psalm 139:13;16

What in this passage causes us to believe that life has value?

What are reasons we would value the things that God values? (Gospel, we have been forgiven, a motivation to please the one who has forgiven us, God valued a relationship with us enough to send his son to die for us.)

Justification:

Read 1 Corinthians 6:9-11

God says he will forgive those who have trusted His Son, how can we show that love and forgiveness to those who are looking at an abortion? What about those who have had an abortion?

What do you think that kind of love might cost? My family's schedule? My disposable income? You can check out opportunities to serve those people at www.agapedsm.com

TAKE IT HOME:

Read Ephesians 5:11-13

What are other things you can do to shine the light on the dark practice of abortion?
