

GETTING STARTED

What are ways we stay connected with people today?

Are there ways that we stay connected that are better than others? What are they? Why are they better?

TAKE A LOOK AT THE BOOK

Read Job 38:4-11

Does God need us? Why or why not?

Why does God want to connect with us?

Besides David, who in your life strikes you as being connected to God? What characteristics about their walk with God stand out to you?

Read Psalm 16

How many different ways does David express his connectedness to God?

TAKE IT HOME

What are ways Pastor Jeremy reminded us we can stay connected with God?

Share a time when you weren't connected to God. What were the obstacles, hindrances, distractions that contributed to the disconnectedness? How did you get to that point? How did you get 'reconnected'?
